

Attached is an application form for high school volunteers for The Ward Summer Learning Camp. Christ's Church has been hosting Ward for many summers and our high school volunteers have found it a rewarding experience.

The program is made up of children primarily from Port Chester who have been identified as needing extra help with reading or math skills. It combines a classroom experience, led by certified teachers, with outdoor recess time and special events. High school volunteers help in the classrooms, do individual reading or math time with the children, help at meals, and accompany the kids to Rye Rec for recess. They are supervised and given instruction by the classroom teachers and by Reverend Gerald Washington and Cheryle Washington, the program's directors.

The program runs from July 2nd to July 27th. Students can volunteer for either the morning session (8:45 to 11:45) or afternoon session (11:45 to 2:45) or both. The program is looking for volunteers who can commit to all four weeks. A few volunteers may be accepted for two-week slots, but priority will definitely be given to those who can do all four weeks.

Please scan and email the completed form by **3/31/18** to:
